

Dear Reader,

I like to inform you that the new internet school for Dr Luc De Schepper is now ready at Homeoversity: www.homeoversity.com

If you are interested to study and learn from Dr Lucs vast experience, you can apply for a login and password [via this direct link](#) (or you can go to www.homeoversity.com and then click on the Tab 'Schools')

Because we also have confidential patient information available in this school area, we need to verify that you are a homeopathic practitioner or other medical professional (or homeopathic student). Please follow the Registration button on the above website, and you will receive a confirmation email with details what type of information we require to accept you as a member of 'LucDeSchepperLive'.

Here you can see a short overview of the currently available lectures and cases ([overview](#)) and much more will come soon. Membership is free, with no obligation to purchase anything.

Members will be informed about new media or any new E-learning program from Dr Luc which will come available in the following months.

Dr Luc will start a 3-year seminar program in the Netherlands (starting 8 & 9 Oct 2011: more info via 'School of Homeopathy', send [email](#)), and parallel to this he will offer a more extended homeopathic program via 'LucDeSchepperLive' (which can be followed separately).
